Commencement of Operations for Jianyang Waste-to-Energy Plant

The Board of Directors of C&G Environmental Protection Holdings Limited (“C&G” or the “Group”) is pleased to announce that C&G has commenced operations by connecting to the national grid for Jianyang’s Waste-to-Energy (“WTE”) plant (“Jianyang Plant”) located in Fujian Province.

The commencement of operations for the Jianyang Plant will add 600 tonnes of daily waste treatment capacity and 9MW installed turbine and electricity generation capacity to the Group. The Build-Operate-Transfer concession period of the project is 30 years. With commencement of operations for Jianyang Plant, the Group’s total waste treatment capacity will increase to 5,100 tonnes per day.

With commencement of operations, the Jianyang Plant is expected to generate recurring revenue from waste treatment and power generation.
