C&G SELECTED AS THE FIRST PREFERRED BIDDER FOR GUIYANG WASTE-TO-ENERGY PROJECT

The Board of Directors of C&G Environmental Protection Holdings Limited (“C&G” or the “Company”) is pleased to announce that C&G has been selected as the first preferred bidder for investment, construction, and operation of a Waste-To-Energy (“WTE”) project in Guiyang, China (the “Guiyang Project”).

Designed with a waste processing capacity of 2,000 tonnes per day, the Guiyang Project would be able to process 730,000 tonnes of waste and generate 48MW of electricity annually. The total investment for the Project is estimated to be RMB980 million¹. The Build-Operate-Transfer (“BOT”) concession period of the project is 30 years.

The Guiyang Project is subject to a negotiation process and will only be expected to contribute financially to the Group upon commencement of operations.

None of the Directors or controlling shareholders of the Company has any interest, direct or indirect, in the above transaction.
